Junior 3D Rigger / Animator

Portfolio | LilliaMurphy.com

SUMMARY

I am a recent Animation Graduate who specializes in 3D rigging and animation. I'm eager to gain real-world experience where I can continue developing my skills, collaborate with creative teams, and help bring compelling stories and characters to life.

SKILLS

Maya • Unreal Engine • Character Rigging • ZBrush • Substance Painter • After Effects • Photoshop • Premiere Pro • 3D Animation • 2D Animation • Skinning • Weight Painting • Motion Graphics • Procreate • Google Drive • Unreal Niagara •

EXPERIENCE

Animated Short Film: The Path To Achlys, Creator

- Created 3D environments and 2D character animation for a completed senior thesis film
- Designed and animated character movements, effects, and interactions to bring the characters to life
- Built and animated 3D backgrounds that provided the environments and spatial foundation for the 2D characters
- Managed the animation pipeline from concept through final production, completing a finished film as the primary creator

Real Art Productions, Intern

Online | August 2026 - Present

- Edited multiple animal rigs in Maya that allowed for full-body posing and animation
- Tested the rig through multiple animations, refining controls to produce reliable character movement
- Tested the rig in both Maya and Unreal Engine to make sure it would not break
- Delivered a production-ready rig that could be used to create expressive character performances

Athleta, Sales Associate

Park Meadows Mall / Cherry Creek Mall | May 2025 - Present

- Delivered friendly, personalized service that contributed to numerous positive online customer reviews and driving returning customers
- Helped customers find products, sizes, and styles that matched their needs, contributing to confident and successful purchases
- Assisted an average of 30+ customers per shift in finding products and sizes suited to their needs, contributing to efficient service and successful purchases

Computer Resource Center, Lead Inventory Specialist

Art Institute of Chicago | August 2023- May 2026

- Promoted to Lead within one year in recognition of strong performance, reliability, and ability to support staff, faculty, and students.
- Managed and tracked computer equipment inventory
- Diagnosed hardware and software problems
- Coordinated equipment delivery and retrieval across campus, ensuring staff and faculty received the technology needed to perform their work

Tillys, Sales Associate

Park Meadows Mall | May 2025- August 2025

- Recognized as Employee of the Month within three weeks of joining the team, demonstrating strong customer service, reliability, and performance
- Created a welcoming shopping experience by helping customers find products that matched their needs, leaving customers feeling confident and satisfied with their shopping experience.

EDUCATION

School of the Art Institute of Chicago

Bachelor of Fine Arts in Studio | Graduated: 2026
